 From placing the order with our suppliers, it takes up to three weeks to receive the clothing. We will email you when your order is ready, and tell you when it can be collected from the Serpentine. We will not post items to you, due to the cost and extra workload.
 The SSC clothing is organised completely by volunteers, so to streamline ordering we will only process an order once we have a completed Order Form and correct cheque. Not fulfilling these criteria might mean you miss out when we put the monthly order in to the suppliers.
